The first stage of renovation is nearing completion. There is a significant amount of additional work required to secure the future of our organ. Fund raising is continuing as we need to raise approximately £50,000 more, but we are delighted to learn this week that two charities have responded to applications, the Benefact Trust, who have awarded us £4,250 and the Pilling Trust who will donate £4,667. We are enormously grateful to the generosity of both charities and all who have donated to us. St Edward's Orchestra's concert last week also raised an amazing £650 for the Organ Fund.
