*The **Constanza Ladies Choir** was first created in 1953 under the name The Elizabethan Singers to honour the coronation of Queen Elizabeth II. When Mary Hutchings took over as musical director, she changed the name to the Sovereign Singers. It is by that name that some of our current members would have known the choir, with one of the ladies joining as early as 1957! Here is a throwback picture of the Sovereign years...*

The Constanza Ladies have been making music together for over 6 decades ; they would love nothing more than to be able to do the same for 60 years more!

Thank you for coming tonight and supporting the choir. If you love to sing, take a step further and come sing with us. We rehearse every Monday night from 7:30 at the Fairwater Conservative Club, new members are always welcomed.
